❖ **Note for participants:**

1. The program will take place via Google Meet, therefore internet connection should be necessarily stable. A laptop equipped with a camera and microphone is required, and an alarm should be set so you can have an enjoyable experience;
2. With the desire to connect and discuss ideas related to product recycling, online study method amid the pandemic as well as entrepreneurship in Vietnam, we are looking forward to your valuable contributions;
3. This non-profit program, which is brought to be a place where people have opportunities to share and discuss, will offer academic benefits by joining International Student Ambassadors 2020 program.

❖ **Interest for participants:**

1. After finishing 3 sessions, you are eligible to be awarded a certificate issued by the Leaders of University of Economics and Law, which also will be directly sent to your school as a reward for your efforts and creativity;
2. At the end of the program, the participants contributing groundbreaking ideas will be awarded valuable scholarships which could help you experience the amazing student life at UEL;
3. Throughout the program, you will be provided with knowledge based on culture, environment conservation and preservation, health protection, among many others. On top of that, you can collect online learning tips from outstanding students and entrepreneurial knowledge from our experts.

❖ **Talented Student Ambassador 2019:**

Graduated from Université Paris 2 Panthéon-Assas
